Refer to: Annual Water Assessment

On April 10 we mailed the following letter to you, and to date we have not received a reply. This would be appreciated.

We received our billing for Duchesne-Strawberry Distribution System, Water User Account Number 15-101. 1995 Assessment is \$48.00, showing a Delinquent Penalty of \$5.20.

Enclosed is a copy of our check which was mailed March 12, 1994 in the amount of \$52.00. In 1992 our check in the amount of \$44.20 was mailed March 2, 1992. In 1993 our check in the amount of \$45.00 was mailed on April 7, 1993.

The notice states: "By Law, payment is due by May 1st of each year. If not paid by June 1st, a 10% DELINQUENT PENALTY will be added to your TOTAL AMOUNT DUE."

Our question is when were we delinquent? Any help on this would be appreciated? If we are delinquent we need to pay it.

Thank you for your prompt reply. You should of had sufficient time to write to us. May 1st is fast approaching.

Sincerely yours,

Leland Wright

No delinquent penalty was charged. { 1992 payment of \$44.20 was credited to your account 15-101 March 6, 1992
1993 payment of \$45.00 was credited to your acct. 15-101 April 13, 1993
1994 payment of \$52.00 was credited to your account 15-101 March 18, 1994. There should not have been a penalty charged. The \$5.20 penalty charge has been ~~deleted~~ deleted. You only need to send payment of \$48.00.
Thank you for bringing this to our attention.
